CLASS HISTORY

by Cynthia Crowson

In the year 1929, thirty seven youngsters found their way through the dark basement to the first grade room. It was Miss Louise Toon's first year as a teacher so she was a little bit nervous also. During this year she became Mrs. Troy Stinson. Later in this year the Blue Mound School burned and we shared our room with students from that school. The 1940 Seniors who were in that group are Leroy Brown, Cynthia Crowson, Walter Lee Jones, Catherine Flowers, and Franklin Landers.

In the second grade we felt we were getting quite learned when we began learning how to punctuate sentences. Our teacher was Miss Eloise Stubbs who is now Mrs. Ross Larsen. Frank Lee Terrill from Oklahoma joined us this year.

We reached the third grade and were finally moved up-stairs. After this move we felt almost grown up. Every day at recess we ate graham crackers and drank milk which we had brought that morning. Alta Faye Williams from Oklahoma joined us this year. Mrs. Dewey Minick was our teacher.

In the fourth grade we were frightened at the idea of taking mid-term and final examinations. However Miss Elizabeth Kerk helped us over this milestone and we went on our way.

In the fifth grade we were allowed to participate in Interscholastic League events. Miss Ruth Ward was our teacher and all of us had rather have been punished most severely than to have received a disapproving look from her. We were joined by Bernice White from Goodview and Lillian Frances Gentle.

In the sixth grade we gained our knowledge from Mrs. Burroughs. We had quite a large number of hardships this year. Leroy seemed always to be in trouble. Several romances began this year too.

In the seventh grade not only had the pupils been promoted but the teacher also, so we had Mrs. Burroughs again. This year we were joined by Ruth Cearley, Junior Bryant and Earl Willis.

During March of this year our happiness was darkened by the sad death of one of our dear classmates, Lillian Frances Gentle. We considered her one of our most loyal members. Few children have the kind, sweet, and loving disposition she possessed and all of us were grieved by her death.

Finally we were about to reach one of our goals, high school. In our new clothes, on a beautiful night, we graduated and received our diplomas tied with pink and blue ribbons, our class colors.

In the year 1936 we met with the pleasures and hardships of high school. Odessa Shelton, Ouida Faye Holt from Bernard, Joe and Rebecca Teal from Blumound, Joe Eob Farrell from Goodview, Martin Asneraft from Goodview, and Bettye and F. M. Harris from Pilot Point were added to our group. Miss Lois Avaritt was our class sponsor. We had our first formal party and felt completely grown up.

In the ninth grade Taylor Odem from Union Hill, Glenna Bell Rogers from Bolivar, Ruth Browning from Valley View, Kenneth Frady from Denton, Faytta Simpson from Oklahoma, and Royce Harper from Union Hill joined us. Mr. W. A. Brooks Jr. was our spenser.

The tenth grade was a year of victory. We won the class competition and were awarded a holiday which we spent at Lake Dallas. We had added to our group Mildred Butler from Denton, Gerald Rickett from Justin, and Nancy Smith. At almost every meeting of the F. T. A. we were awarded a dollar for having the most mothers present. Our sponsor was Mrs. Sammy McLaren, and under her direction we worked hard and gave a very successful banquet for the Seniors. We carried out the scheme of Snow White. We also helped in all of the graduation exercises.

At last we are Seniors, the graduating class of 1940 from Singer High School. We think of this as another victorious and successful year to be added to our other ten. We have gloried this year in having most of the members of the athletic teams from our class, in having Gym Queen elected from our class, in winning class competition, and being awarded another holiday, and in having a D. A. R. Representative elected from our class even if we are the smallest class in many years. We presented the annual Senior Play, and it proved quite successful. The cast was Junior Bryant, Ruth Coarley, Billie Green, Cynthia Crowson, Earl Willis, Catherine Flowers, Franklin Landels, Odessa Shelton, Dinky Harper, Betty Harris, Joe Bob Farrell, and Earnice Waide. Our Co-sponsors are Mr. W. A. Brooks and Miss Martha Graves.

IN MEMORIAM

Roy Earl Vandiver was born November 11, 1924 and died May 20, 1940 from injuries received in a crash involving a train and an automobile collision. The accident occurred near Pilot Point the night before.

Roy Earl, a sophomore in Sanger High School was the son of Mr. and Mrs. Oscar Vandiver. He went through the first seven grades at Holivar. He came to Sanger school for the first time in the fall of '38.

"Mutt" as he was affectionately known to his schoolmates, was a fun loving boy, bubbling over with the high spirits of youth, but not in the least frivolous. It is a trite saying but nevertheless true of Roy Earl that everyone who knew him loved him.

Let now, still in light, come back, all in Gold, all over
white, there are also, fifteen years, the Norman, Joseph Val-
ley, the House, George Lacombe, N. B. Williams, John W.
Wells, with their sons.

BASKETBALL

FRADY, GUARD: Kenneth (Fuzz) moved here three years ago from Denton, and he has certainly been an excellent addition to our team. Fuzz is 5 feet 11 inches tall, has lettered three times, is cool-headed during a game, and plays ball like a professional. He is a Senior and is on the main string. He has 85 points to his credit.

FARRELL, FORWARD: Joe Bob is a consistent player, even though he is inclined to be hot-headed. He is good in both offensive and defensive work. Joe Bob is 5 feet 10 inches tall, and it is his second year to letter. He and R. T. Holder tied for high point man with a score of 132 points. He is a Senior and on the main string.

GREEN, FORWARD: Billie, one of our fast, flashy boys, played some great ball this year. Because of an operation Bill was out most of his Junior year, but he returned this year to do splendid work. He is 5 feet 9 inches tall, and has a total of 97 points. He is a Senior and on the main string.

WILLIS, GUARD: Earl played a lot of positions and very good ball. He did his best work as guard. Earl is 5 feet 9 inches tall and is a Senior. He has 45 points.

KING, GUARD: Harold B., a Junior, played for his first time this year. He played as a substitute but he played some good ball. King is 5 feet 6 inches tall and made a smooth player. To sum it up, just watch him next year. He has 19 points.

LANDERS, CENTER: Franklin is a tall lanky boy of 6 feet. He played a little rough and was a fair defensive. Hank is a Senior and has 6 points.

HARPER, GUARD: Royce (Finky) is another player the team will miss for he has played some fine ball and is now a Senior. Finky is 6 feet tall and has 72 points. He has lettered two years in basketball and is on the main string.

HOLDER, CENTER: R. T. gained his second letter this year in basketball. His offensive play was great and his defensive was good also. R. T. was one of the leading scorers with 132 points for the season. He is 6 feet tall and is a Sophomore. He is on the main string.

HARRIS, CENTER: F. M. played good ball last year; therefore he returned better than ever this year. Harris is 6 feet tall and is a Senior. He has lettered two years and has a total of 63 points.

TOOME, FORWARD: Billie is always a consistent player. He is 6 feet 1 inches tall and is a Junior. Billie started late because of his lack of confidence, but now that he has it, his opponents will dread him next year. He has 50 points.

MUNDY, FORWARD: Rolene (Fluto) is a little weak on his defense, but he is a big worry for his opponents as an offensive. Fluto is 5 feet 10 inches, is a Junior, and has 62 points.

GILES, CENTER: Jerry Lee is the only Sophomore besides R. T. on the squad. He did not get to play much but he has two years in which he will improve. He is 5 feet 10 inches tall and made 2 points.
